

AIT promotes technological change and sustainable growth and development in the Asian-Pacific region through higher education, research, and outreach.

Established in Bangkok in 1959, AIT has become a leading regional postgraduate institution and is actively working with public and private sector partners throughout the region and with some of the top universities in the world.

Recognized for its multinational, multicultural ethos, the Institute operates as a self-contained international community at its campus located 40 km (25 miles) north of Bangkok, Thailand.

# Professional Masters in BANKING and FINANCE

## BANKING AND FINANCE

For more information, please visit us at [www.bankingandfinance.ait.ac.th](http://www.bankingandfinance.ait.ac.th)

# Organization-Based Research Project in the Curriculum

## THE AIMS OF THE PROGRAMME:

- To empower professional bankers with knowledge and skills to meet current and emerging challenges with the fast-changing business environment in the industry.
- To develop knowledge of management of the business as might be useful for performing the role of a banker
- To provide a balanced exposure to the theory, case studies and practical skills that will enhance both the personal and professional development of the participants.

## Enhance both the personal & professional development

## KEY FEATURES OF THE PROGRAMME:

- Designed and delivered to suit the needs of working executives in the banking sector in the region.

- The faculty body is a combination of academics and practicing managers.
- An engagingly diverse participant group comprising of bankers from different countries in the region.
- Practical orientation with a significant organization-based research project in the curriculum.

## STUDENTS WILL BE ABLE TO:

- understand and evaluate broad trends in banking and financial services industry and assess the impact of such trends on their business;
- evaluate and apply management tools and techniques in the context of banking and financial services industry;
- integrate the diverse body of knowledge into applications in their job through a comprehensive research project.

# 1 Year Degree Program for Bankers

RESPONDING TO THE NEED OF THE  
BANKING INDUSTRY IN THE REGION

Candidates will be required to take an admission test and appear for an interview. The preparatory programme may be recommended for potential candidates based on the performance in the admission test.

## In-depth knowledge from world-class academicians

*The program emphasizes applied skills along with fundamentals of banking and finance which makes it different from other academic master programs. I felt privileged listening to success stories from real-life practitioners and gaining in-depth knowledge from world-class academicians simultaneously. Above all, the multicultural environment at AIT provided me with an incredible opportunity to flourish as a human being.*

Nazia Haque  
PMBF Batch 6, June 2018  
Bangladesh Bank (Central Bank of Bangladesh), Bangladesh

## Incredible opportunity to flourish as a human being

*PMBF at AIT was a wonderful experience of my life. It not only enhanced my knowledge and skills as a professional, but diversity enriched me as a human being.*

**Kritika Pradhan**  
PMBF Batch 3, January 2013  
Bank of Bhutan Limited, Bhutan.

*This is the best banking qualification which I have earned so far. It enriched me in a power of analytical thinking to manage any critical situation by teaching practical aspects of knowledge without limiting to the theories. I am more competent, confident and efficient than earlier thanks to the hands-on experienced and the sound knowledge acquired through expertise lecturers in AIT from multi countries. PMBF taught us to adopt our learning in a multi-cultural diversified environment while respecting each nation."*

**Rajith Jayawardana**  
PMBF Batch 5, June 2015  
Sampath Bank PLC, Sri Lanka.
